

International Tuition Fees – 2025

At the Australian Institute of Hospitality and Management (AIHM), we offer globally recognised qualifications designed to launch and accelerate careers in hospitality, business, and leadership. Below is an overview of current international tuition fees for our CRICOS-registered programs. These fees apply to full-time international students and include core tuition and standard student support services.

All fees are listed in Australian Dollars (AUD) and are subject to change. Please refer to your official Letter of Offer for confirmed pricing and intake specific details.
